Title: DELIVERY SYSTEM FOR THERAPY COMPRISING HOLLOW SEEDS, PREFERABLY METAL,
AND USE THEREOF

* * * * *

Affidavit by Margaret Jackson, Docket Supervisor
PETITION TO WITHDRAW HOLDING OF ABANDONMENT
OR ALTERNATIVELY REVIVE UNINTENTIONALLY ABANDONED
APPLICATION UNDER 37 C.F.R. 1.137(b)

Commissioner for Patents
Washington, D.C. 20231

Sir:

I, Margaret Jackson, declare and state as follows:

- (1) That I am currently the head of U.S. docketing department at Pillsbury Winthrop and held this position as of February 9, 2001.
- (2) That in that capacity, I reviewed the docket records at Pillsbury Winthrop and hereby attest to the fact that a Notice of Non-Compliant Amendment (37 C.F.R. §1.121) apparently mailed January 14, 2002 was not received in our offices until after this application had become abandoned. This fact is supported by the attached docket records for (February 14, 2002 (the due date), March 14, 2002, April 14, 2002, May 14, 2002, June 14, 2002 and July 14, 2002 (the all new extended dates under 37 C.F.R. §1.136(a)) as well as mail records for the period in January where this Office Action, if received, would have been entered into our docket records. It is clear from these records that even as of the final due date for responding to the Notice we had not received this Notice.

(3) I hereby declare that all statements made herein of my own knowledge are true and that statements made on information and belief are believed to be true.

October 4, 2002
Date

Margaret Jackson

Paper No. 14

Mailed 1/14/02

Notice of Non-Compliant Amendment (37 CFR 1.121)

The amendment filed on 12-18-01 is considered non-compliant because it has failed to meet the requirements of 37 CFR 1.121, as amended on September 8, 2000 (see 65 Fed. Reg. 54603, Sept. 8, 2000, and 1238 O.G. 77, Sept. 19, 2000). In order for the amendment to be compliant, applicant must supply the following omissions or corrections in response to this notice.

THE FOLLOWING ITEMS ARE REQUIRED FOR COMPLIANCE WITH RULE 1.121 (APPLICANT NEED NOT RE-SUBMIT THE ENTIRE AMENDMENT);

- ☒ 1. A clean version of the replacement paragraph(s)/section(s) is required. See 37 CFR 1.121(b)(1)(ii).
- ☒ 2. A marked up version of the replacement paragraph(s) is required. See 37 CFR 1.121(b)(1)(iii).
- ☐ 3. A clean version of the amended claim(s) is required. See 37 CFR 1.121(c)(1)(i).
- ☐ 4. A marked up version of the amended claim(s) is required. See 37 CFR 1.121(c)(1)(ii).

Explanation: Applicant must submit the whole page
as spec with changes made
(LIE: Please provide specific details for correction to assist the applicant. For example, "the clean version of claim 6 is missing.")

For further explanation of the amendment format required by 37 FR 1.121, see MOEP § 714 and the USPTO website at <http://www.uspto.gov/web/offices/dcom/olia/pbg/sampleaf.pdf>. A condensed version of a sample amendment format is attached.

- ☐ **PRELIMINARY AMENDMENT:** Unless applicant supplies the omission or correction to the preliminary amendment in compliance with revised 37 CFR 1.121 noted above within ONE MONTH of the mail date of this letter, examination on the merits may commence without entry of the originally proposed preliminary amendment. This notice is not an action under 35 U.S.C. 132, and this ONE MONTH time limit is not extendable.
- ☒ **AMENDMENT AFTER NON-FINAL ACTION:** Since the above mentioned reply appears to be *bona fide*, applicants is given a TIME PERIOD of ONE MONTH or THIRTY DAYS from the mailing of this notice, whichever is longer, within which to supply the omission or correction noted above in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).
